Ads by Google A study released by the Direct Marketing Association affirms catalog sales reached \$172.6 Billion in 2008 -

an expected growth rate of 6.5 percent from 2007. Catalog industry employment also grew in the past three years, despite economic and employment woes.

On Saturday, July 11, 2009, from 10:00 a.m. to 6:00 p.m., the public is invited to learn more about self-employment opportunities with NYX at the Power Media Group Inc. headquarters located at 17960 Sierra Hwy., Santa Clarita, CA 91351.

The main activity featured for the all-day event spotlights experts in catalog sales and in direct selling in the cosmetic industry. These seasoned professionals will conduct workshops on starting one's own business during recession times and how to take advantage of sales opportunities which already exist in the market for enthusiastic entrepreneurs.

At the same time, educational sessions will focus on developing and applying closing sales techniques and marketing strategies, as well as motivational techniques for self-improvement. Professional tips on skilled make-up applications will be shared by renowned make-up artists.

A casting and photographic session will be conducted by event organizers to select fresh, beautiful modeling faces for this year's new catalog. To participate in the casting session, applicants must be previously enrolled as a catalog sales associate for NYX Cosmetics and Power Media Group.

The Direct Selling Association reports that 15 million Americans worked as independent direct sellers in the United States in 2007 and that number is growing thanks to the increasing need for extra income and the low startup costs of starting a direct selling business.

Workshop seating is strictly limited. Those interested are encouraged to enroll and reserve a spot by calling 1-800-209-2171 or e-mailing patricia@powermediagroup.com.
