VIDEO: Real Estate Investment Awareness Campaign by The Herrera Sindell Group, Inc. Moves Ahead With Power Media Group, Inc.

Press Release and Top News From 24-7 Press Release Newswire Published: 05/30/10 04:00 AM EDT

SANTA CLARITA, CA, May 30, 2010 /24-7PressRelease/ -- Juan Herrera, spokesperson for The Herrera Sindell Group, references the tripling of the business' net worth over the last year, and the variety and number of monthly acquisitions the firm makes, often averaging 25-50 - activity which brings even more investors to the company.

Rating: 5 stars Print Email Share

The Herrera Sindell Group "We have 'skin-in-the-game' - the Herrera Sindell Group invests money into each deal, which means we have a real interest in the property. We take the additional step of depositing all funds directly from clients' bank accounts into an escrow account.

"We apply two decades of real estate experience to the property acquisition we present, and there is no question about our being in the business of investing and reaping a return on investment for our investors and our company," added Herrera.

"Alongside commercial acquisitions just entering the real estate picture, over the past six months, higher priced residences have experienced a decrease in property values. While foreclosures are still high, it remains a perfect real estate investment profit opportunity."

"When we meet prospects, we want them to know who we are, what we do and how we do it - for them."

The Herrera Sindell Group has engaged advertising agency Power Media Group to grow company awareness in the Southern California Hispanic market.

ADVERTISEMENT Refi Rates Hit 3.62% APR On March 2nd the US government extended a housing relief program designed to help 7-9 million homeowners. So far only 200,000 homeowners have used the program to refinance. Many homeowners mistakenly think they are not eligible. If you are a homeowner and you haven't looked into refinancing recently, you may be surprised at how much you can save.
